Twenty-sixth Edition Valley High School

Albuquerque, New Mexico

Yesterday Showed Us

Last summer was an exciting and busy one for Valley students. They participated in various activities for school organizations and clubs. Not only did they have a lot of fun, but also learned many new and interesting things. At Girl's and Boy's State, held in Roswell, our delegates learned our system of government as they actually ran campaigns, elections, and organized their own platform. The Student Council Workshop was held in Portales. The participating students were divided into councils, attended seminars, held various assemblies, and discussed what was important in today's high schools. During the summer, Valley students were already busy preparing for Homecoming which was held November 1,2,3.

Yesterday Gave

Viking students were as busy out of school as they were in school. Of course, there were always the times for relaxing, whether after watching a game or playing one. Whether working or resting, there were many places in the Valley area to go. Pizza Place, Godfather's Pizza, and McDonald's were fast becoming the most favored places around. After a hard day at school, the thing to do was to eat, drink, and relax.

Yesterday—Those were the days . . . the days of laughter and of fun . . . The enjoyment of class competition . . . We screamed and we yelled in the share of the excitement. The times when we sang and we danced as the assemblies continued, in hopes that this could go on forever. These assemblies were our joys and our fun we will always remember. When we look back and see our yesterdays, we will always remember the beginning of today.

Yesterday We

Yesterday as we look back to school days, we saw the days when we felt like crying or wanting to get out. Now we realize those days are all gone. Sometimes we felt the teachers didn't like us, but really they were only trying to help us. Now we realize those days are all gone. All we have is yesterday to remember them by.

But Though There Was Heartache

Fall sports carried high hopes for Valley High students. The football team promised to be one of the best in the school's history. With several returning lettermen putting out their best, the football season was an exciting time around VHS. The girl's Volleyball Team also bumped, set, and spiked their way in perennially tough 2AAAA with positive thoughts of making the trip to State.

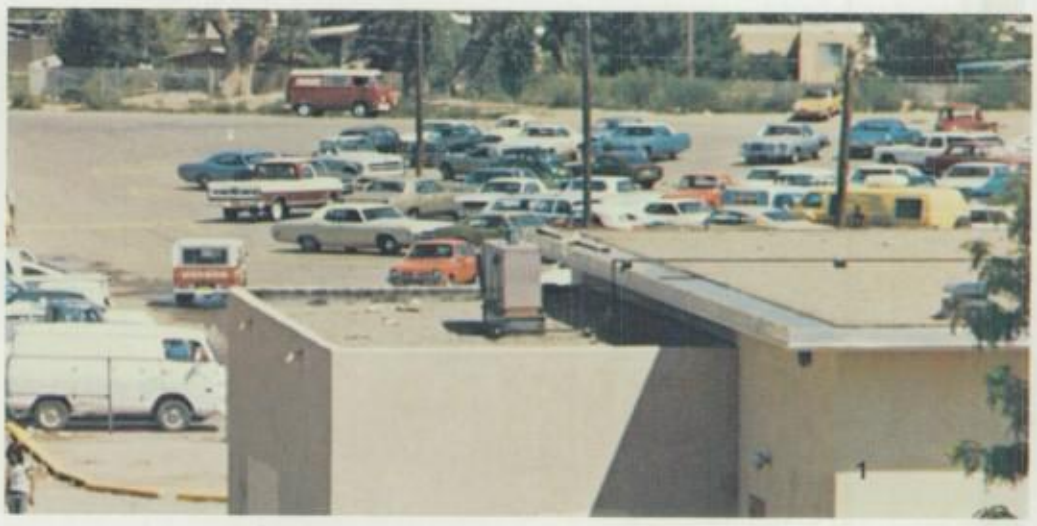
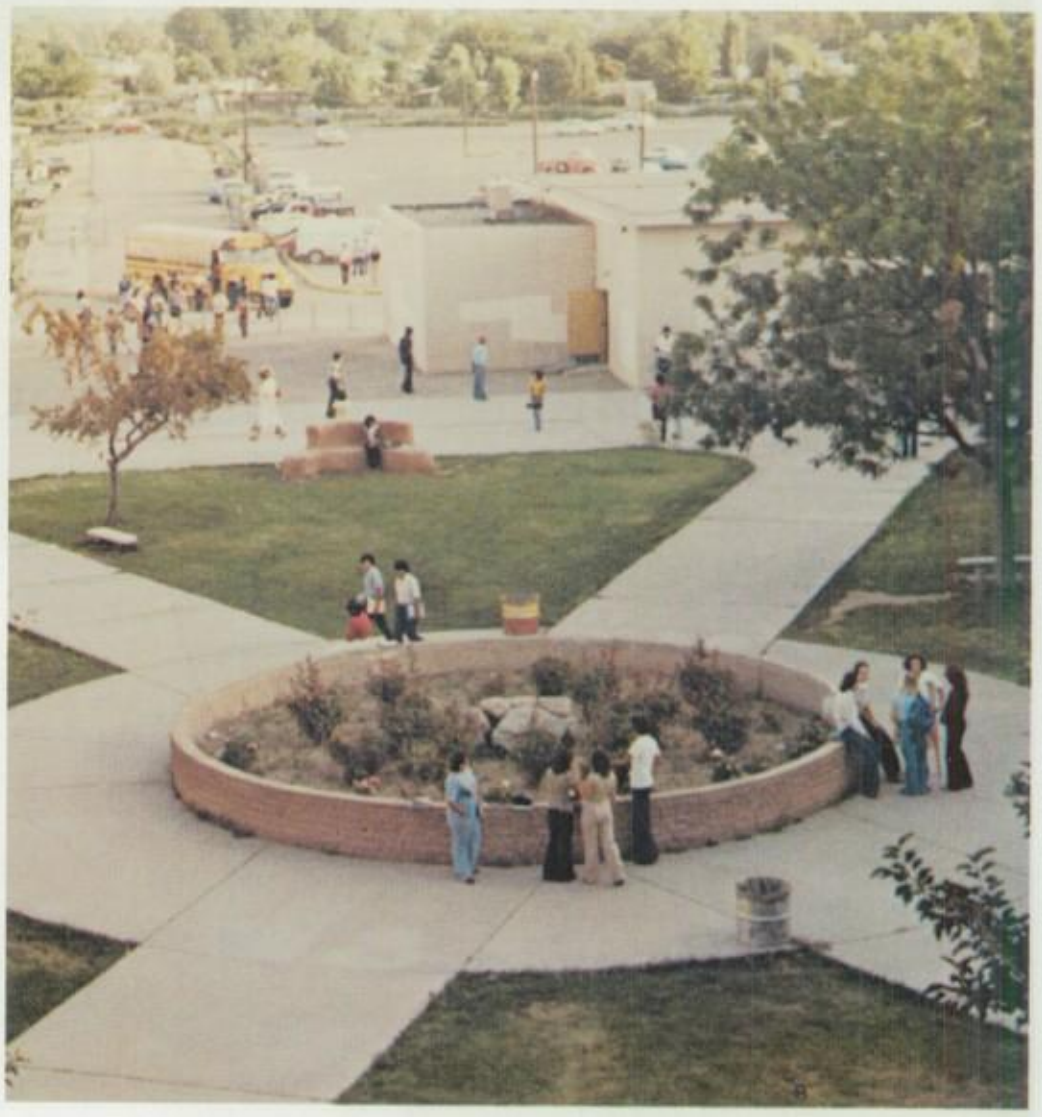
The Sun Always Seemed

As each new day dawned at Valley, many organizations held their meetings. Student Senates, Student Council, Stater's Club, and National Honor Society were a few of the many which met in the morning. Teachers, too, were busy in their classrooms preparing their lessons to be taught on that day. Morning was also a time for friends just to gather on the grass, talk, and get themselves ready for the day.





1—A morning view of Valley's parking lot before the 8 a.m. rush. 2—Enthusiastic Vikings reach their first day of school. 3—Jeanette Carroll, a senior at Valley this year, displays a sly grin as she walks to class. 4—One of Valley's delegates to Boys State, David Burton, along with friend Shawn Summers, shows off his drafting book. 5—Buses drop off students to begin their zero hour classes.

If Only Everyday Could Be . . .

The many faces of Valley students reflected a variety of feelings for those just starting, and also for those ending their high school years. The underclassmen began to prepare themselves for the day when they would become the leaders of Viking Pride by participating in class Senates, Student Council, and other important organizations. Seniors had many things to look forward to as they too, began a very important step in their lives.

Illustrious Vikings Merit Awards

Each year various non-academic awards are given. These awards are respected by those who have knowledge about them. The most prominent awards were for leadership and citizenship.

The three major service academies combine to give the West Point Leadership award to one senior who has displayed the best qualities in personal interviews. Five seniors were nominated for the award.

The students eligible for the Warren A. Smart Citizenship award were nominated and chosen by teachers the previous school year. The winner is announced at the Warren Smart assembly.

At the close of each school year, new Vikings are chosen to replace the senior Staters. Six girls and nine boys were chosen to represent Valley at Boys and Girls State, which is a week long course in American Government sponsored by the American Legion.

1. Laura Saavedra receives the West Point Award from Mr. Baca. 2. 1979 Girl Staters. 3. 1979 Boy Staters. Not pictured is Sergio Mercado. 4. Nominees are Jaime Fashing and Craig Givens. 5. Student Body

"I feel that being a student body officer was a real challenge", commented secretary Teresa Long. "It involved a lot of hard work. The job was not as glamorous as the name seems to appear. We learned to work together closely, and at the same time had fun".

Student Body officers were elected to represent the school in the spring of 1979. When the officers were sworn in, they knew that they had a tough job ahead of them. They got a head start during the summer by meeting to discuss possible problems that may come up during the school year concerning the student body. When school started in August, they were well prepared for any problems that did come up. As the year progressed, the officers were faced with many important decisions concerning the welfare of the students. Their leadership and actions unified the students.

National Honor Society

National Honor Society was a special group of seniors who maintained a grade point average of 3.5 throughout high school. Chris Escarcida said, "NHS was a very prestigious club to belong to. Very few people were accepted and I am proud to have been a part of it." Sharon Ball and Lasell Rector, the club sponsors, were there to guide president, Jessica Shaffer and the group through a great year. UMOC, their major fund raising project, was a tremendous success. The proceeds from Valley's most popular contest went to the Warren A. Smart Scholarship Fund.

UNIQUE, DIFFERENT . . . CLASS OF '80

DIFFERENT.

That's what we are, different. Every class that has graduated from Valley has been different. The people, the styles, the things they believed in, and their creations and contributions. Each class has added something to Valley.

We started out our sophomore year a little scared, but anxious to find out what high school was all about. Our elected officers were: President, Teresa Long; Vice-President, Jamie Fashing; Secretary, Stacy Allen; Treasurer, Dolores Harris; and Student Council Representative, Donald Trujillo.

Our class had lots of drive and spirit which was proven when we surprised the juniors by coming in second in UMOC with our ugly man, Joey Romero. Karla Montoya was first attendant in the Spirit Sweetheart Contest.

Many of Valley's outstanding athletes were from the class of '80. Sandy Beach proved to be an excellent athlete in track and cross-country. In her sophomore year in track she took first in the 880 and the mile. Our volleyball team and our boy's cross-country team took third in State Competition.

Our junior year was quite a busy one as we planned prom and helped with homecoming activities. Lorenzo Vigil's ugly face brought us the second place title in UMOC again. Sandy Beach showed her spirit as our candidate for Spirit Sweetheart.

Once again Sandy Beach demonstrated her running ability by winning the State Championship in cross-country. Six juniors made Who's Who: Suzanne Braun, Jamie Fashing, Teresa Long, Karla Montoya, Laura Saavedra, and Cathy Torres.

Our junior officers were: President, Sandy Beach; Vice-President, Karla Montoya; Secretary, Maxine Harris; Treasurer, Earl Vallejos; and Student Council Representative, Renee Rodarte.

Our senior year Sandy Beach was again our President. Vice-President was Earl Vallejos; Secretary, Renee Rodarte; Treasurer, Anthony Delgado; Student Council Representative, Donna Lund; and Historian, Karla Montoya.

As seniors, homecoming took on a special meaning as we watched three out of twenty girls crowned as Vi-Queen and Princesses. Karla Montoya was our Homecoming Queen; Demmy Vigil was First Princess; and Julie Chavez was Second Princess. The voting of Vi-Queen was changed our senior year. Instead of having to display a talent, the candidates answered a question in front of the senior class. The top twenty were chosen by the seniors and the entire student body voted on the top ten.

The election of the Varsity cheerleaders was also changed our senior year. Instead of Valley students voting on six girls, cheerleaders from other schools chose the six.

The most important change, however, was Merl Rigg's resignation. Milton Baca took over his position. Mr. Baca proved to be an excellent principal, but Mr. Riggs was missed.

Our girl's volleyball team showed great improvement. They took second in District and were eliminated in the quarter finals of State Competition. Sandy Beach once again won the Cross-Country State Championship.

Seniors came in second in UMOC with Sergio Mercado as our ugly candidate. Our Spirit Sweetheart candidate was Renee Rodarte, who had a great amount of pride in Valley High.

As a matter of fact, the whole class of '80 was proud!

Class of 1980

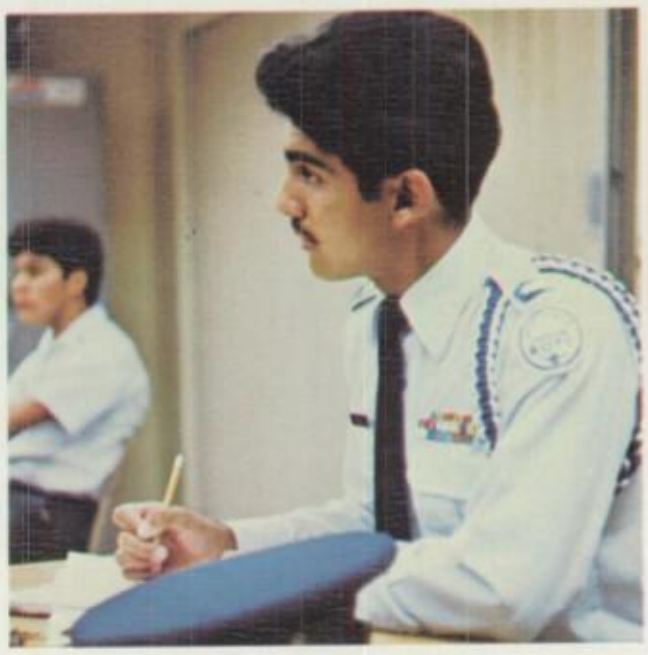
ROTC—"It's Like One Big Family"



"I like it because everybody gets along, and because I get respect." These were the words of Elias Sedillo describing his feelings toward the ROTC program here at Valley. Among his duties as a Commander were giving promotional orders, holding staff or board meetings, and selecting officers under him. "At first, I took ROTC because it was the only class I could take, but now I really enjoy it. It's like one big family." In his spare time, Elias likes to disco. He boogies at places like The Big Apple and DJ's Disco with his regular partner Marty Trujillo. By making up their own steps, they earned a 2nd place finish in a school contest. Elias plans to enter the Army when he finishes high school, and will probably make a career of it.

Graduate at 21!

Esther Huff, who is orginally from Fairfield, California, stated, "I think school is fantastic! It's so exciting, not because I'm 20 years old and older than most students, but because I have a chance to graduate, and to prove that I can do it. I will succeed!" The reason why it took so long for Esther to graduate was because she was held back in the 3rd grade due to grade credits, and also because she was taken out of school twice, once by her father, and once by her step-mother. Esther has lived in many countries such as the Philippine Islands, Japan, Guam, plus many other parts of the United States. Esther is employed at Mr. Swiss on 12th Street and works part-time after school. After graduating, she hopes to go to college and become either a physician's assistant or probation officer, or work with handicapped children.

Ling Fu Top Junior Exhibitor

Ling Fu, a member of the American Morgan Association, has competed nationally in horse shows. She has been one of the top junior exhibitors in the country. In 1977 Ling was named National Champion of the Saddle Seat Equitation Rider and Best Junior Exhibitor Western.

She had been riding or four years for pleasure when she began her life in the show ring. Ling remarked, "In a way, riding horses helped develop confidence in myself."

Ling plans to become a professional rider as soon as she turns eighteen. She already has had several job offers. This past summer Ling traveled to Wisconsin where she worked at one of the best stables in the United States. She has attended shows in Wisconsin, Ohio, Kentucky, and Massachusetts. Ling has no time for school activities because of her intense dedication to horse riding.

YESTERDAY'S MEMORIES, TOMORROW'S BEGINNINGS

When I started high school I remember thinking about the long road ahead of me.

The faces and things which surrounded me there were unfamiliar, but soon I became close to the people, and I learned more about myself as well as others. I learned how to love, forgive, understand, and, yes, I guess I learned about resentment and jealousy too.

I have put a lot of myself into this school. This small fragment of my life will always be remembered: the good as well as the bad. And now I must leave all this behind.

Ahead of me lies the rest of my life. The doors which hold my hopes, dreams, and ambitions are waiting to be opened. I know deep down inside that my leaving isn't really the end, but the beginning.

I will look back on my yesterdays with smiles, tears, and laughter. I will await the dawning of each new day.

Laura Bartolucci and Judy Rector

For Varsity Football

Our varsity football team had another disappointing season, posting a record of one win against nine losses. The Vikes only win came late in the season against the Rio Grande Ravens. Coach Willie Goldsmith is looking forward to a strong season next year with many lettermen returning. Although the team didn't win many games, Coach Goldsmith feels that all of the players are winners. Coach says that football prepares you for life and all its hard knocks.

Robert Orona demonstrated his ability by gaining 1,048 yards by a combination of running and pass receiving. They finished the season with a 7-3 record.

Oarsmen Show Pride

This year's Freshman Football team was headed by first-year head Coach Jerry Duffy. The young squad showed Valley's football traition by having pride, dedication, and sacrificed throughout the season. Their 1-6 record did not indicate the hard work and sacrifice which was put into the two-a-day workout sessions at the beginning of the season. It was truly a learning experience for the football program.

Viking Burlies

The girls Varsity Volleyball team were quoted to be a tough team this year and that they were. The Viking girls were a strong team both physically and mentally which was a major element in their excellent record.

In the District 2AAAA tournament, the Vikings played extremely well and they advanced to the championship game. Unfortunately they came out second but were able to go to State competition. The team placed two members, Pam Hamric and Dee Sanchez, on the all-district team. Making Viking history, the girls played a hard match against Goddard Roswell. They waited all year to attend this tournament but were greatly disappointed in the end.

During the season the Viking girls were nicknamed "the Burlies". Burly described every bump, set, and spike of the whole season.

Viking opponents were:

Los Lunas	Lost	Eldorado	Won
Grants	Won	Belen	Won
Highland	Won	Manzano	Lost
Bernalillo	Won	Del Norte	Won
West Mesa	Won	Cibola	Won
Sandia	Won	Rio Grande	Won

In their first eight games they were undefeated until Manzano upset their winning streak. They were 2nd in the city.

Once again the C-team volleyball team was coach by Nancy Chavez. The team had a very successful season with the record of two losses and ten wins. The only schools they lost to were Highland (13-15, 15-10, 10-15) and Del Norte (16-14, 15-17, 14-16). Overall, the team had helpful experience.

Sandy Beach, Fay Woodward and Leslie Archibeck were among a few of the stronger runners. The girls finished 2nd in district and 4th in State, while the boys finished 5th in district. "Gaining experience", commented coach Voge was one area that the team concentrated their efforts on. The team consisted mainly of new members.

1. Sandy Beach races past her opponent from Sandia. 2. Monica Scanlon keeps a steady pace with her Belen opponent. 3. Varsity Injured By Player Loss

2

The varsity team started the year on the wrong foot. Their first win came in the Hobbs Tourney as the team scrambled to a sixth place finish. Varsity was hurt early off by the discharge of Donny Sanchez, Andrew Lopez, and Ray Gabaldon, the city's number two scorer last year.

The performance slowly improved. The first district win was over Eldorado, and the Viking rival Manzano came next. By mid-January the record was 4-8, and the district record was 2-0. Doug Patterson expressed his attitude about the come back by saying, "All the way to state."

Norsemen Have Heart

Valley's J.V. had an outstanding season despite all of the difficulties they encountered. Early in the season the Norsemen lost two good players. They also had to move up some players to help out the varsity. Under second year coach Mike Saavedra the team looked tougher than in many previous years. With their good height and quickness the J.V. gave their opponents a hard time with a tough press and a good zone defense. By playing J.V. this year they gained a lot of experience for next year's varsity.

The C-team compiled a great record under new coach Henry Saavedra, while the freshman finished very well, also, under a new mentor Robert Maestas. Both teams showed great leadership and had strong bench support through the entire season. A combination of hustle and talent produced great seasons for both teams.

Girl's Varsity Has

This year's girl's basket ball team did an amazing thing. The Viking girls got rid of their bad reputation and had one of the best seasons in the history of the school. Under a new coach Charles Gibbs, the girls came out fighting and did a wonderful job. One of the team's most exciting games was against the state champions, Eldorado. To Eldorado, Valley was one of their toughest opponents. Coach Gibbs led his team to a 12-5 record at mid-season. The girls went on to be runner's up in District 2AAAA and went to State in Portales where they lost to Hobbs. We were very proud of the girls for their tremendous effort.

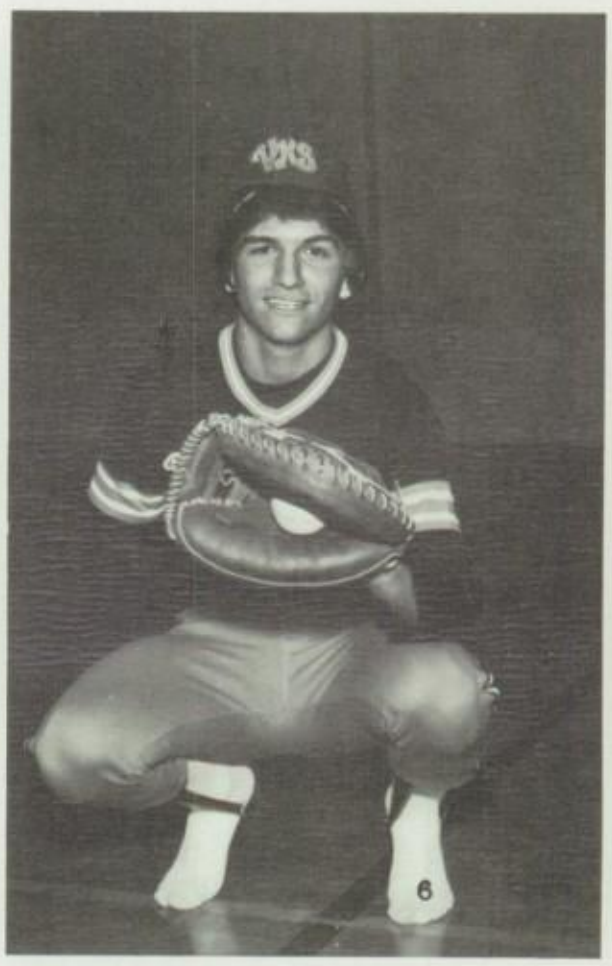
Boys Compete In Superstars

In its fifth year, the Superstar competition was finally open to boys, as all P.E. classes were Co-ed. During the week of February 19, 34 boys and 34 girls competed in events including basketball, track, and swimming, but competition was separate, and two winners were produced. Sophomore Mindy Sherred and Senior David Burton received T-Shirts declaring them Valley High Superstars. Second place honors went to Freshman Linda Mora and Senior Lorenzo Vigil. David Burton said about this year's change, "We didn't mind having the girls around since we were all separated."

1-Boy's Superstar David Burton 2-Girl's Superstar Mindy Sherred 3-Laura Andrews and Anita Padilla hit the finish in the 50 yard dash. 4-Anthony Sanchez aims what will be a 140 foot pass which helped him capture third place. 5-Juan Garcia controls his harem of girl Superstars.

Boy's Baseball Rebuilds Under



The boy's baseball team started the season with a reputation to build. Their main goal was to establish a new program and develop some respect for themselves. Returning full time stars were: Catcher, John Frazier and Pitcher, Sergio Mercado. The team gained several new and enthusiastic ball players. Roger Cordova was the new varsity coach. Bob Cordova returned to coach JV, while Jim Gates headed the freshman team. Coach Roger Cordova said, "The teams and staff are working very hard." He also gave a special thanks to trainer Phil Vorheis and assistant trainer Dominic Yannoni for their help.

Track Teams Stride Toward

The boy's track team was strong in several events this year. High-jump, shot-put, and the mile relay were three events that the Vikings should go to State in. Although there were many freshmen and sophomores without much experience, Coach Willie Goldsmith said "the team has the ability to score in every event."

The girl's track team was also strong. Hurdles, mile-relay, and long distance were some of their better events. Under Coach Victor Smith, the girls had a very successful year.

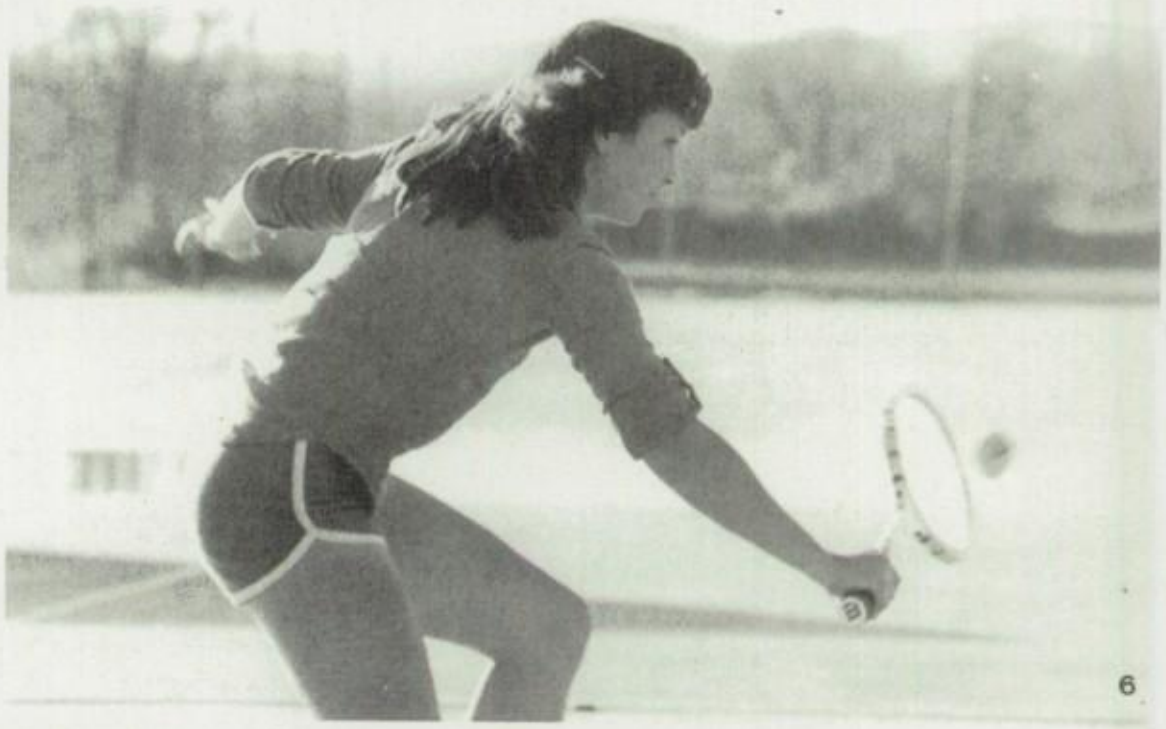
Tennis Swings For State



The girls' and boys' varsity tennis teams both had high hopes for taking district crowns. The girls were considered one of the top teams in the state due to their performance of last year. Lead by Laura Saavedra, Patsy Walman, Teresa Long, and a host of other talented players, the girls anticipated their toughest matches would be against arch-rival Eldorado.

The boys team lost two seniors from last year's squad, but had three returning lettermen in Chris Escarcida, Robert Chavez, and Dan Eshner. The boys toughest competition would come from the powerful Manzano Monarchs.

Both the girls and boys teams were to compete in the APS Singles Tournament and the APS City Tournament. Their main goal, however, was to win in the District 2AAAA Tourney and earn State Tournament berths.

Song and Dance

September Brings A New Beginning

Big Barn Registration began the new year. The main project in September was to give Valley a new look. The whole school was repainted. Fund-raising started with such activities as a ping pong-a-thon for 24 hours by the Stater's Club. Other clubs started their activities. One club was the Vocal Vikings which held the first speech tournament of the year at Valley. The first assembly was done which introduced the fall sports. September fulfilled this new beginning.

1—Seniors crowd to register for their choices in Social Studies and Foreign Language. 2—Debbie Baca, a member of the newly originated flag corp, performs at the first assembly. 3—Andres Vigil is given a gift certificate for his many years of service as a custodian to Valley from the faculty and staff at his retirement party. 4—Vikings plan their schedules for the upcoming academic year. 5—Boy Stater Lyman Waller rallies for the ping-pong-a-thon. 6—Dancing to "Salsation" is the Vikettes, a routine which they performed at camp. 7—Workmen paint many hours to give Valley a new face. 8—Vocal Viking Allison Loftfield participates in the first speech tournament of the year at Valley.

Fall Sports Show Progress

Fall sports teams brought Valley much pride. Varsity football's record did not show the true effort put forth by the team. The Vikes played well all season, but never could manage to win a game until beating Rio Grande at the end of the year.

The volleyball team made school history by going all the way to the State tournament. The Valley girls lost in the first round to Roswell Goddard. Pam Hamric and Dee Sanchez received All-District awards to cap off a fantastic season.

The girls' and boys' cross country teams did consistently well throughout the season. David Ruiz had several respectable showings all year. Sandy Beach was clearly the best female runner in the state. The defending State Champion returned once again to cop the highest honor. Sandy's title was particularly gratifying since she was plagued by injuries all year long.

1—The J.V. football team shows the aggressiveness that brought them the City Championship. 2—The Vikings watch the play going on in their win over Rio Grande. 3—Sandy Beach goes for her second State title in a row. 4—Dee Sanchez back-sets the ball to Karla Montoya at the State tournament against the Goddard Rockets. 5—The Viking Burlies go into a huddle to cool down after winning a sizzling game. 6—Showing her blocking power is Pam Hamric. 7—David Gonzales pushes to go further ahead.

Dance Culminates Home-coming Activities

The Cibola Cougars thwarted Valley's hopes for a perfect week-ending victory as they downed the Vikes 29-15. Viking spirit was high though, as hundreds of screaming fans filled Milne stadium. The VHS marching band, with the Vikettes, presented a great halftime performance. Also during halftime, Queen Karla and her court were introduced to the crowd.

The annual Homecoming dance was held at the Civic Auditorium with Brazada providing the music. A Grand March enhanced the flavor of the theme, and was enjoyed by all who danced.

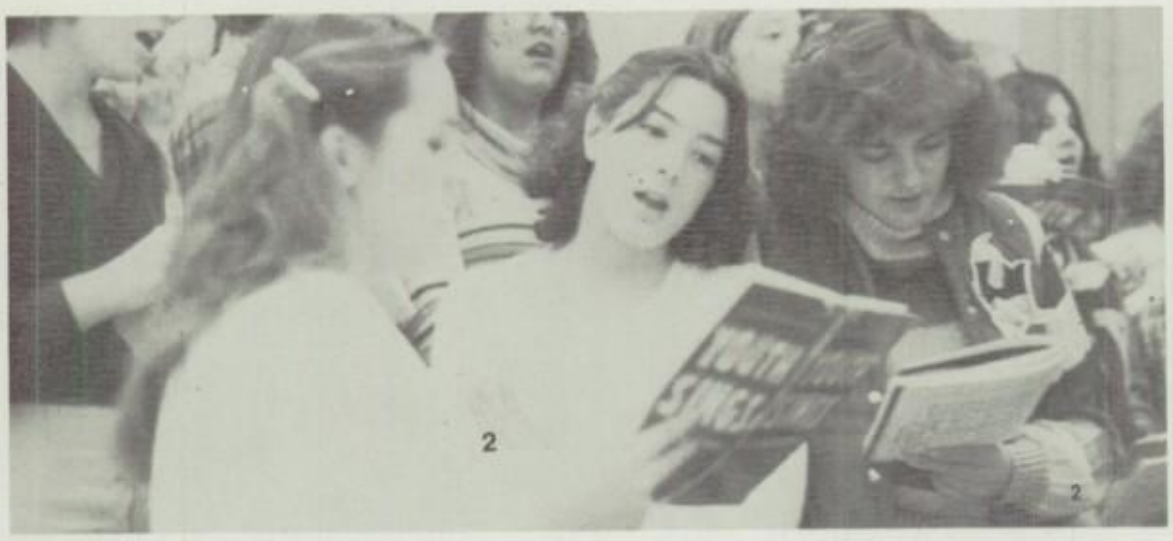
December Contains Various Activities



December was a very busy month. Activities ranged from a fry bread sale to a Christmas dance. An assembly was held to introduce the winter sports. Vikings Bring Christmas Joy

Once again Student Council sponsored the Children's Christmas Party. It was held on December 20. The majority of the homerooms participated in the event. These homerooms sponsored a child or children. Each child received a gift, a bag of goodies, a chat with Santa Claus, and refreshments. The children were first graders from Duranes. Everyone had a delightful time. The Vikings truly brought Christmas Spirit.

Farewell Riggs, Welcome Baca

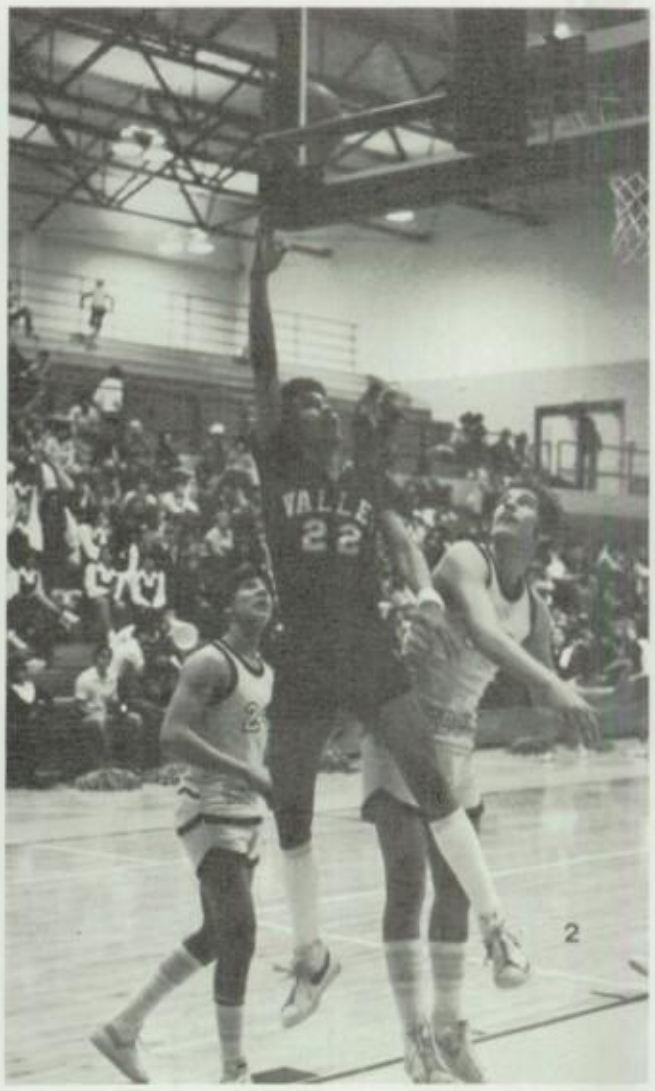
This year Valley underwent a major change in the administration. Merl Riggs left the staff, and Milton Baca replaced him as principal. Mr. Riggs resigned in January, 1980. The students and faculty were sad to see him go after working with him for seven years. Mr. Riggs will long be remembered at Valley for his supportiveness and general concern for the student body. Mrs. Dunaway feels that Mr. Riggs was "an advocate of the student." He was always available when he was needed. His main concern was keeping students in the school. He was a true Viking.

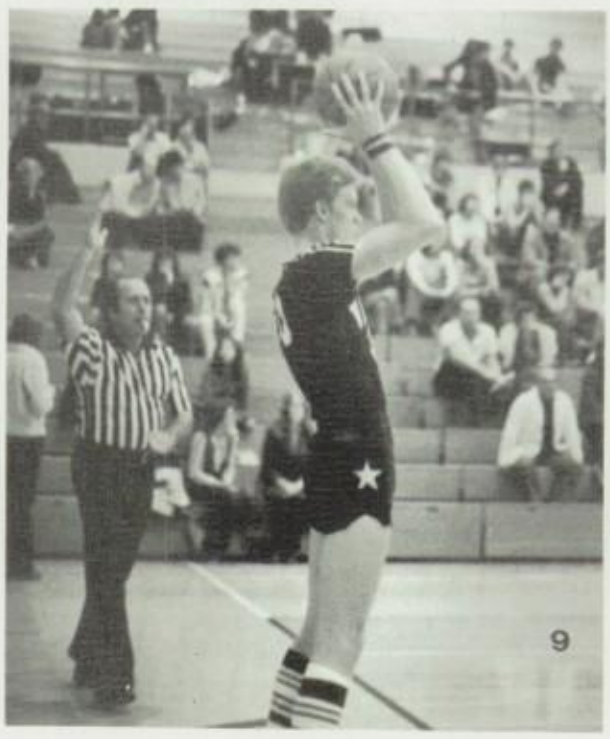
"Valley has an awful lot of class", stated Milton Baca, Valley's new principal. Mr. Baca came to Valley from Albuquerque High, where he had served as Vice-Principal for 7 ½ years. When asked why Mr. Baca took the position of Principal he replied, "I thought it would be a challenge—a challenge I wanted to attack."

One of the biggest concerns of being a principal is giving the students a good, solid education, and Mr. Baca wants to promote this.

When he was asked if there was anything else he would like to add Mr. Baca replied, "I appreciate the warmth the student body gave me. I hope to repay that by making Valley a better place to be."

Winter Sports Display
Viking Pride





Go Vikings Go! If nothing else, the winter sports showed Viking pride. The boy's basketball team had a slow start, but won their first two district games against Eldorado and Manzano. With tough competition, the wrestling team took the Del Norte tournament. By January the girl's basketball team had a record of 12-5. They won the Los Alamos Tourney, a first in Valley's history. The girls were District 2AAAA contenders. The swim team was strong, winning more than half of the meets they were in. Winter sports were well supported by Viking fans.

Who's The Ugliest Of Them All?

For years UMOC has been Valley's biggest and most worthwhile fund raising event. Sponsored by National Honor Society, a record setting amount of $3,853.98 was raised by the class senates. The freshmen, with Randy Perkins as their candidate, broke the record for the most amount by a freshman class with a total of $169.07. The sophomores, with Joe Herrera as their candidate and class president, also set a record for their class with a total of $783.96. Placing a strong second in the tense competition was senior candidate, Sergio Mercado with $1,391.60. Steve Harney, junior class candidate, along with the hard-working Junior Class, won the contest with a record amount raised of $1,509.36. The money raised from the Ugliest Man On Campus competition goes toward the Warren A. Smart Scholarship Fund, awarded to V.H.S. seniors annually.

REMEMBERING WHEN . . .

. . . It was a time when "two jugs" meant "two carburators on top of a motor", and when shades were sunglasses that went with "duck tails" black leather jackets, levis, and spit shine shoes. Those big furry dice and sleek machines with big six cylinders, and monsterous "flatties" were the rage. Remember when "check out those legs" meant check out those side pipes?

And Valley remembers those black leather jackets, sunglasses and duck tails that were too long.

February brought back those sounds with the arrival of the pre-60's car show in which Ron Pacheco's '55 Ford rode away with 1st prize. Fashions of that era came "through" on dress-up day and once again "bobby socks, narrow ties, and pumps

roamed the halls." Not only were students enjoying a look back, but teachers showed their talents as well. Skits and dances were among a few of the activities which brought the teachers out from their traditional roles. Spring Sparkles With Festivities

It takes hard work and long hours of practice to complete a school play. "Building scenery and rehearsing for a play, such as Camelot, takes about three months," commented Mr. Sheets. He also stressed that it took many extra hours on Saturdays to make this production a success. Twelve leading roles made up this Medieval musical play.

Student Council

Student Council, the backbone of V.H.S., had a very productive and triumphant year. Activities began almost immediately after the closing of last year. A special committee was organized to help make the 25th annual Homecoming a success. The committee of approximately 25 hard-working and dedicated students met from July through early November of 1979 to choose a theme and make special plans for the biggest event at Valley, which was to take place on Nov. 1, 2, 3. As the year progressed, Student Council proved to be an effective and prosperous service organization for the community. They sponsored a Christmas party for 1st graders from Duranes Elementary and also had parties with bingo, music, and dancing for the elderly at The Good Shepherd Manor. The council also raised money for its statewide project, multiple sclerosis. The entire council consisted of about 75 regularly attending members who faithfully woke up early every Tuesday morning to attend Student Council at 7:15 A.M. Mr. Jim Vannoy, who sponsored the club for his first year, was as strongly devoted as the members themselves.

Senior Senate

Senior Senate's main objective was to earn money for the Warren A. Smart Scholarship fund. They began earning money in the summer by selling snowcones at Down Town Saturday Night festivals. They continued to earn money up until February. Some of the projects were selling candy, luminarios, and stockings. The UMOC candidate was Sergio Mercado.

The Seniors were sponsored by Mrs. Huenefeld, Mr. Cordova, Ms. Haywood, and Ms. Romero.

The Senior Class was led by Sandy Beach, Earl Vallejos, Renee Rodarte, Donna Lund, Anthony Delgado, and Karla Montoya.

Junior Senate Ignites Class Spirit

In May of 1979, five sophomore girls were elected to lead the Class of 1981 through their Junior year. As the class entered its third year, Junior senate began to hurl away that black cloud of apathy which had plagued the class in past years. Under the leadership of Laura Fashing, the senate got "the spirit machine" out and going at full speed. The Juniors were still stuck in the middle of the totem pole of seniority, but this wasn't a hinderance to the enthusiastic senate. The biggest task of the year was to plan the Prom.

1—Mary Bowannie reads last week's minutes to the Juniors. 2—Looking over a few ideas for Prom is Claudette Duran. 3—President Laura Fashing discusses UMOC plans with the senate. 4—One of the senate's sponsors is Mrs. Diana Davidson. 5—Members are: (top row) Carlos Argueta, Claudette Duran, Sandra Trujillo, Tricia Lucero, Louise Ruiz, Marc Granados, Jackie Montoya, Emily Rembe, Margaret Romero, Leslie Anderson, and Dawn Austin; (middle row) Dianna Garcia, Ted Henderson, Becky Zamore, Michelle Pfeiffer, Dora Gonzales, Linda Lopez, Edye Atkinson, Karen Perkins, Lynne Metoyer, Kevin Conkle, Robert Griego, Yvonne Bennett, Steve Harney, and Sharon Weaver; and (bottom row) Shawn Welch, Kathy Conroy, Lori McCormick, Liz Edwards, Cyndie Gonzales, and Mary Bowannie.

Soph Senate Comes Alive

Sophomore senate got off to a good start by having many new faces show up at the meetings. Led by Joe Herrera, the Class of '82 sold items ranging from suckers to Christmas ornaments. Putting numerous hours of work in, the senate's main goal was to raise money for UMOC and the 1981 Prom. Many of the senate's members were also involved in Student Council and other activities.

Freshmen Set High Goals

Freshman Senate members entered Valley High with much determination to fulfill their one main goal. Their goal was to surpass all other accomplishments set by previous Freshmen classes. Led by President John Marcelli, the Class of '83 had a hard road ahead of them if they were to achieve that goal. The Freshmen suddenly faced bigger responsibilities here than those which they encountered in Junior High. Activities such as Student Council, dances, bake sales, and UMOC were a few of those responsibilities. Out of all this hard work, the Freshmen said they enjoyed their first year at Valley.

National Spanish Honor Society

Valley High School's chapter of the National Spanish Honor Society, known by the name of "Cervantes", was headed by club officers Loretta Gonzalez, Sergio Mercado, Rosella Rodriguez, Perlita Aragon, and Carlos Argueta. The NSHS was organized to recognize students who showed superior ability in the Spanish language classes. The club was composed of twenty students who were recommended by their respective teachers. Mr. Ben Sandoval, sponsor of the NSHS, founded the club in 1963.

Staters Have

At the end of their junior year nine boys and six girls were selected to represent Valley at the 1979 Girls and Boys Staters' convention. These Vikings learned the many systems of government for a week. During this week these students ran for various offices, as well as met people from around the state. When the staters club began, their first project was decorating the gym for the honors assembly. This year the Stater's Club held numerous activities such as a 24 hour ping-pong-a-thon. The Stater's Club also held the Christmas Dance which was very successful. The Staters were held responsible for the elections of Vi-queen, and for the other elections as well.

Throughout the year the Stater's Club was known for making Malas around V.H.S.

Successful Legend Staff

The Legend staff successfully informed students, faculty, and community members about events happening on campus. Dedication, perserverance and creativity were major factors in the production of a noteworthy publication. Ms. Grimm was the sponsor of the Legend this year and utilized all the efforts of her students to help keep everyone keep up to date on current issues as well as general news. Sylvia Vigil, editor, and Patti Spencer, co-editor, were among the students who were responsible for proof reading, writing articles, cropping pictures, and making deadlines.

The production of the yearbook was not all fun and games. Laura Bartolucci, a new Saga member, said, "I never realized all the hard work that goes into the producing of the yearbook! Sometimes I thought that we were never going to finish." Throughout the year, Saga members had many decisions to make. They had to decide what the theme would be, what the cover would look like, and how the book itself would be arranged. Deadlines were frantically trying to be met.

Applications were turned in, and the Saga members were chosen by the sponsor and the returning Saga members. Cathy Torres, who was chosen as editor said, "Being editor was a big responsibility, but I enjoyed it. There were a lot of changes I had to face with a new sponsor and staff, but it was a lot of fun."

Vocal Vikings Speak Out

The speech team had more potential this year than any previous year. One reason for their great success was they had many returning members, three of which went to the National Speech Tournament this last summer.

The Vocal Vikings spoke out at such places as Baylor University in Waco, Texas and Washington University in St. Louis, Missouri as well as high school tournaments in New Mexico, Colorado, and Texas. Most of the money for these trips was raised by the Vocal Vikings themselves.

Ms. Sheehan, the sponsor for the Vocal Vikings, said that she felt it was her pleasure to be able to work with the most talented hard working students in the state of New Mexico.

Varsity-Five Radiate

The Varsity Cheerleaders who were to lead the Vikings with their many cheers, chants, and yells were chosen in a different manner at the end of the school year last Spring. Judging the girls were other Albuquerque schools' cheerleaders, and alumni cheerleaders from Valley High. The squad was the first not to be elected by the student body in many years. Chosen were: Shelley Padilla, head, Diana Chavez, Guin Goldsmith, Patsy Quevara, and Susan Moran.

The Varsity-Five attended the National Cheerleader Association Clinic held at the UNM Arena during the summer. They returned home with 1 excellent ribbon and 4 superior ribbons. The girls also won the much deserved Spirit Stick.

The Cheerleaders worked hard since their election and supported Viking sporting events throughout the year. Football, Cross-Country, Volleyball, Basketball, and Baseball were just a few sports attended to by the Varsity-Five. These girls are something to be proud of, and to them we send our deepest appreciation!

Mr. Vannoy Becomes

Valley's administration worked hard all year long to improve our proud school. They had the buildings repainted and basically did a lot to give Valley a "new look". New systems of attendence were devised also. Students who attended class each day were exempt from taking the final exam. Mr. James Vannoy, a teacher at Valley for many years, joined the administration as Activities Director this year. It is a job that kept him working diligently all year long.

Just Like Yesterday.

Just like yesterday! Valley started a new beginning of another twenty-five years. This year finally came to an end, and it saddens me to know each and every one of us will go our different ways, but with the fondest memories of Valley. The Saga staff captured these memories and put them together in this yearbook. We will always have these moments to remember as they were a special history of 1980.

We had our share of the good and the bad in this great year of 1980. We had many changes throughout the year. Mr. Vannoy became the new activities director after the retirement of Mrs. Marie Hays last year. In the middle of the year, Principal Merl Riggs transferred, and Milton Baca became the new principal at second semester. The girl's sports did outstanding with the majority of them going to State. An all time total of $3,853.98 was raised for UMOC. A favorite week for all Vikings was Nostalgia Week. More than half of the student body participated in Crazy Hat Day, Spirit Day, Classic Car Show, and Nostalgia Dress-up Day.

We would like to thank our Herff Jones Representative, Mr. Bill Smith, who gave guidance and support, especially to me. I would personally like to thank Herff Jones Yearbook Company for the yearbook workshop in Durango which helped me in putting this yearbook together.

We would like to give special recognition to Bill Bell Photographic Studio for some of the photography, especially the senior photographs, and getting everything ready on time for the staff to meet their deadlines. I could not have done it without you.

I want to give a special thanks to a fun, hard-working, and cooperative staff (Sorry I had to get after you so much). Thanks to those of you who helped the others who were not done. Mrs. Lopez, a first year Saga advisor, thanks for putting up with me, the staff, and our "That's not the way Mr. Vannoy did it last year." This yearbook would not have been complete without the talents of Judy Rector and Laura Bartolucci for their poetry, Shawn Welch for his artistic abilities, and Chris Escarcida for his cleverness in headline and copy writing. I want to especially thank my photographers Ben Thurmond, Pam Hamric, Tim Lovekin, and Carlos Argueta for always being there to take the photographs without complaints. I want to thank Carlos Argueta for designing the cover and Laura Bartolucci for the theme.

The Saga staff hopes the 1980 Saga was just like yesterday, and a great momento which you will always treasure in the years to come.
